Chili Champ

Every body knows famous 'Guddi' of PSC. Most qualified Branch Accountant is this quarter's 'Child Champ' for her very supportive role during demonetisation of currency. She played crucial anchor role for branch staff and help senior management to manage the situation. We hope that she will continue her journey in PSC in many other important roles in future. Best!

Its always good to give back

We like to give back. PSC gift its premium customers family size umbrella. Customers who are in association with PSC from three to four years are now gifted along with a large loan for their family business. We believe in loyalty and continuation of relationship. A small gift just help us to do it better.

In 2017, PSC has partnered with Sun King (greenlightpalnet.com) to develop and supply solar light based products for this cause.
